Membership Features

HEALTHCARE SERVICES

Healthcare for the 21st century.

We're reinventing the way healthcare is delivered, one member at a time. We call it TotalCareSM and it provides revolutionary, real-time access to world-class medical information, treatment and referrals when and where our members need it. Medical teams of critical care paramedics, nurses and physicians at Elite Medical Group, Johns Hopkins Emergency Medicine Division of Special Operations and Partners Healthcare are available 24/7/365. Think of it as the staff of your own private, virtual hospital.

TotalCare Urgent Care Consultations*

TotalCare is a smarter way to receive care. For urgent medical issues, questions and referrals, teams are standing by to assist you when and where you need it. Services include real-time video consultations for you with world-class medical teams and physicians, prescriptions, labs, imaging and referrals to over 200 Centers of Excellence. This is primary care for the 21st century. Urgent Care consultations for members are \$45.

24/7 Access to:

- Medical care – Around the clock. Across the globe.
- Face-to-face video consultations
- Prescriptions, lab work, diagnostic imaging

TotalCare Specialty Consultations

When you're facing a chronic, acute or life threatening illness, you need the best medical advice available. Some of the world's finest physicians across 18 clinical subspecialties at Elite Medical Group and Johns Hopkins will help you make the right decisions. This unprecedented resource not only improves the likelihood of good outcomes, but provides critical peace of mind that your diagnosis and treatment plan is both accurate and the best available. Specialty consultations for members start at \$150.

24/7 Access to:

- Advice about your diagnosis
- Board-certified physicians and clinicians
- Subspecialty second opinions from Johns Hopkins Medicine
- Help determining the best possible treatment options

TotalCare Urgent Care and Specialty Consultations may be reimbursable from your HSA/FSA account.

- Advice on your options
- Critical care paramedics who monitor your treatment

Field Rescue

Global Rescue pioneered the concept of worldwide field rescue more than a decade ago. We bring our members to safety, even if they're far from civilization or in a dangerous environment. We have performed thousands of missions worldwide from the mountains of the Himalaya, to the jungles of Africa, to the streets of Cairo. Our teams of first responders and military special operations veterans deploy unparalleled experience and capability to successfully rescue our members, regardless of the environment.

Medical Evacuation

Global Rescue performs medical evacuations worldwide utilizing our deployable teams of critical care paramedics, nurses and physicians. Our teams of medical experts are immediately available to advise and empower our members. We provide transport via private and commercial fixed and rotary wing aircraft to the destination hospital in the home country of our members choosing. All transport costs are included in the cost of membership.

Security Extraction

When Global Rescue members are faced with a threat that could result in bodily harm or a government evacuation order is declared, we bring them to safety and transport them home. Our teams of military special operations veterans are immediately available to advise you, deploy to you and extract you in the event of an emergency, natural disaster, terrorist attack or civil unrest. All transport costs are included in the cost of membership.

Travel Assistance

Global Rescue also provides a broad range of concierge-level travel services, including Travel Insurance, Legal Referrals and Passport and Translation Services to help reduce the stress of traveling.

Information and Intelligence Services

Critical services at your fingertips

The Global Rescue Mobile App connects you to vital medical, security, and rescue resources at the touch of a button, anywhere in the world.
